

Concerned about water?

*Come learn about the
State Water Resources Control Board*

New North Coast Cannabis Discharge Regulatory Program (‘Cannabis Compliance’)

Friday April 24, 5:30 – 7:30 pm
Douglas City Fire Hall

Justin Smith, Water Resource Control Engineer, with the North Coast Regional Water Resources Control Board will be in Weaverville to explain the new program designed to work with landowners for the betterment of the community and the environment.

This program provides an opportunity to get real change in growing practices.

Tell your friends and neighbors - spread the word!
